FOR A SAFE, SANITISED RIDE

■ The Noida Metro Rail Corporation (NMRC) has started intensive sanitisation drives at all of its metro stations as well as inside its train coaches as a preventive step against the spread of Covid-19. "We conducted sanitisation drives earlier too, but the frequency and intensity has been increased now. The Noida metro corporation also placed banners for creating awareness on Covid-19 at different metro stations as well," Sandhya Sharma, deputy general manager, corporate communication, NMRC, said.
