In the first four months of its operations, the Aqua Line has so far ferried 16.38 lakh passengers between Noida and Greater Noida, while generating a revenue of Rs 4.77 crore, the Noida Metro Rail Corporation (NMRC) said on Wednesday.

Built for Rs 5,503 crore, the Aqua Line was launched on January 25 this year and connects the twin-cities in western Uttar Pradesh's Gautam Buddha Nagar district, running over 29.7 km via 21 metro stations.

"The total revenue since January 25 till May 28 stood at Rs 4.77 crore, a daily average of Rs 3.88 lakh, while the total ridership during the period has been 16.38 lakh passengers, a daily average of 13,317," showed a data released by the NMRC.

"The highest ever single day revenue so far was earned on May 27 when the NMRC made Rs 5.80 lakh on the back of highest ridership of 19,413 passengers," it stated. The average daily revenue per station has been Rs 18,484, the average daily ridership stood at 634 passengers, the data showed.

The lowest daily average revenue was Rs 20 at Sector 147, followed by Sector 145 (Rs 23), Sector 144 and Sector 146 (both Rs 36) and Sector 148 (Rs 140), it showed.
