

PRESS RELEASE

Noida, dt. 13.06.2023

RESUMING E-RICKSHAW FACILITY BETWEEN SECTOR-51 AND SECTOR-52

The dedicated walkway is blocked due to the construction of the Foot over Bridge connecting Sectors 51 and 52. This has stopped free e-rickshaw services being operated jointly by NMRC & DMRC. But with due diligence considering commuter need especially children & old age persons the E-rickshaw service is being restored with possible modified route. Passengers can now take an e-rickshaw from both stations Sector-52 to Sector-51 from 14/06/2023.

NOIDA Authority is also taking action to cover available footpath for the pedestrian between these two stations.
