PRESS RELEASE

NMRC SEES SIGNIFICANT GROWTH IN RIDERSHIP, ACHIEVES 64K AVERAGE DAILY PASSENGERS IN SEPTEMBER, 2024

NMRC continues to experience an upward trend in ridership, reaching a significant milestone last month. NMRC proudly announces that the average daily ridership has surged to 64,068 passengers in September 2024, marking an impressive increase from previous months which was 55,777 in August, 2024.

The NMRC has experienced steady ridership growth over the past year, with the current daily ridership reflecting a sharp 13% increase as compared to the same period last year. The average daily ridership for 2023-2024 was 47,427 against 53,600 in the year 2024-2025 (up to Sept 2024).

This positive ridership trend over the last six months is further illustrated in the table below:-

Month	2024-2025
April	48,588
May	52,351
June	49,808
July	51,059
Aug	55,777
Sept	64,068

Dr. Lokesh M., MD/NMRC had a meeting and discussed the progress made, wherein it was discussed that to boost the revenue generation and property development, NMRC has awarded a total of **11** new contracts in over the past year, contributing a total revenue of **₹6.05 crore per annum**.

In addition to the awarded contracts, NMRC has also floated several tenders or upcoming that are expected to generate **₹5.15 crore** annually. These tenders focus on further expanding NMRC's commercial footprint, including:

1. Licensing of Inside Station Advertisement Rights at 06 Metro Stations (Sec-51 Sec-50, Sec-76, Alpha-1, Delta-1 and GNIDA Office) in NMRC Network.
2. Tender for Licensing of Commercial Spaces for office/ co-working space at Sec – 83 Metro Station.
3. Setting up, operating and maintaining mixed convenience store in the form of KIOSKS through licensing of commercial bare spaces at Ground Floor at ALPHA – I Metro Stations.
4. Setting up, operating and maintaining mixed convenience stores in the form of kiosks, through licensing of commercial Bare Space available below the staircase structure at Six Metro Stations in NMRC network.

5. Licensing of bare commercial space at ground floor at Pari Chowk Metro Station.
6. Licensing of commercial spaces at Sec - 101, Sec - 81, Sec – 83 and Depot Metro Station.
7. Licensing of Advertisement Rights on the Metro Piers in Noida region.
8. Parking space at 15 metro stations

Besides above initiative, Property Development at big land parcel at Sector-94 is also being planned for Non Fare-Box revenue generation. MD further directed to develop an inquiry number for the queries related to Parking/Advertisement Rights and Other Property Development.

These property development initiatives are key to enhancing the financial sustainability of NMRC. By maximizing the commercial potential of metro stations and associated infrastructure, we are creating a solid foundation for future growth while providing additional amenities to the public
