Works executed exclusively as PIA, ER, PMC, material supplier shall not be considered for qualification.**
- B. Financial Standing: The tenderers will be qualified only if they have minimum financial capabilities as below:
- (i) T1 –Liquidity: It is necessary that the firm can withstand cash flow that the contract will require until payments received from the Employer. Liquidity therefore becomes an important consideration.

This shall be seen from the balance sheets and/or from the banking reference. Net current assets (as per proforma given in Annexure-8 of ITT), should show that the applicant has access to or has available liquid assets to meet cash flow of INR 60.34 Crores for this contract, the aggregate of the Net Current Assets will be considered for working out the Liquidity.

In Case of JV/Consortium: Requirement of liquidity is to be distributed between members as per their percentage participation and every member should satisfy the minimum requirement.

Example: Let Member-1 has percentage participation = M and Member-2 has percentage participation = N.

If minimum liquidity required is 'W', then liquidity of member-1 $\geq (W*M)/100$
