In case of a Bid by a Consortium of firms, following shall be abided by their members:

- i) For the purpose of evaluation of the consortium, each member's contribution towards the turnover shall be considered in the same ratio of their equity participation in the consortium. (Illustration: Say If "A" and "B" are two members of Consortium. "A" is having 70% equity holding in Consortium and "B" is having 30% equity holding in Consortium. In such a condition, 70% of "A's" total turnover and 30% of "B's" total turnover will be taken into consideration for evaluation of eligibility of the Consortium).
